WARNING!
DO NOT use the browser BACK BUTTON within the WAWF application.
The use of the browser's BACK BUTTON is not supported within the WAWF application when completing electronic forms.
Use of this button will cause the loss of data not yet saved to the server and will result in the application not performing as intended.
DO NOT use the backspace key in any uneditable field, as this will function as the back button.
Where they exist, use the RETURN or CANCEL buttons to return to a previous page within the WAWF application.
In data capture and when reviewing documents, you may move from tab to tab to work with the various information categories, e.g., Document Header, Addresses, Comments, Line Items, etc.
